**STIPULATION REGARDING
PROPOSED PROTECTIVE ORDER**

17 Plaintiffs and Defendants (collectively, the “Parties”) jointly file this stipulation
18 and request that this Court enter the proposed protective order attached as Exhibit A to
19 govern discovery and disclosures in this action. Good cause supports this request. As the
20 protective order explains, the Parties anticipate that documents, testimony, or information
21 containing or reflecting non-public, confidential information are likely to be disclosed or
22 produced during discovery. This raises potential student privacy concerns under FERPA
23 and may implicate other confidential information involving non-parties. Entry of this
24 protective order will thus (a) facilitate document production and disclosures and (b) allow
25 the Parties (and non-parties) to protect their interests in their confidential information.
